

Year 5

St Joseph's Optional Homework Summer Terms 1 & 2, 2025

We would like to invite the children to take part in the optional projects which they should undertake in addition to their reading, spelling and mathematics home learning. Homework should be handed in any day before **Friday 18th July 2025.**

History Create a fact file about the Anglo Saxons and their impact on Britain today.	PSHE Could you ask your parent to help you do some baking to create a father's day treat.	Maths Can you identify any right angles in your home? If you own a protractor can you measure some angles between 2 lines.	English Can you research and find a funny poem to perform to the rest of the class.
Science Can you create a poster on how to look after a pet, starting from when they are young.	Art Create a river collage using natural resources/junk modelling.	PE Grab some popcorn, watch one of the upcoming football finals (FA Cup/Champions League), and tell your teacher what happened.	Geography Research some of the rivers of the UK and can you find some on Google Earth
RE See who becomes the next Pope, research what they have done in their lives to become the new pope and say a prayer for them.	PSHE Can you do something nice for each member of your family?	English Watch an episode of Our Planet with David Attenborough, in preparation for our reading.	Spelling Can you challenge yourself to try and get over 1 million points on EdShed or can you play mastery zone every day for one week?

These activities are designed to help your child's learning. Please choose one or two activities of your choice each week. Tick off and date activities when completed. Thank you for your continued

support.
