Friday 24th November 2023

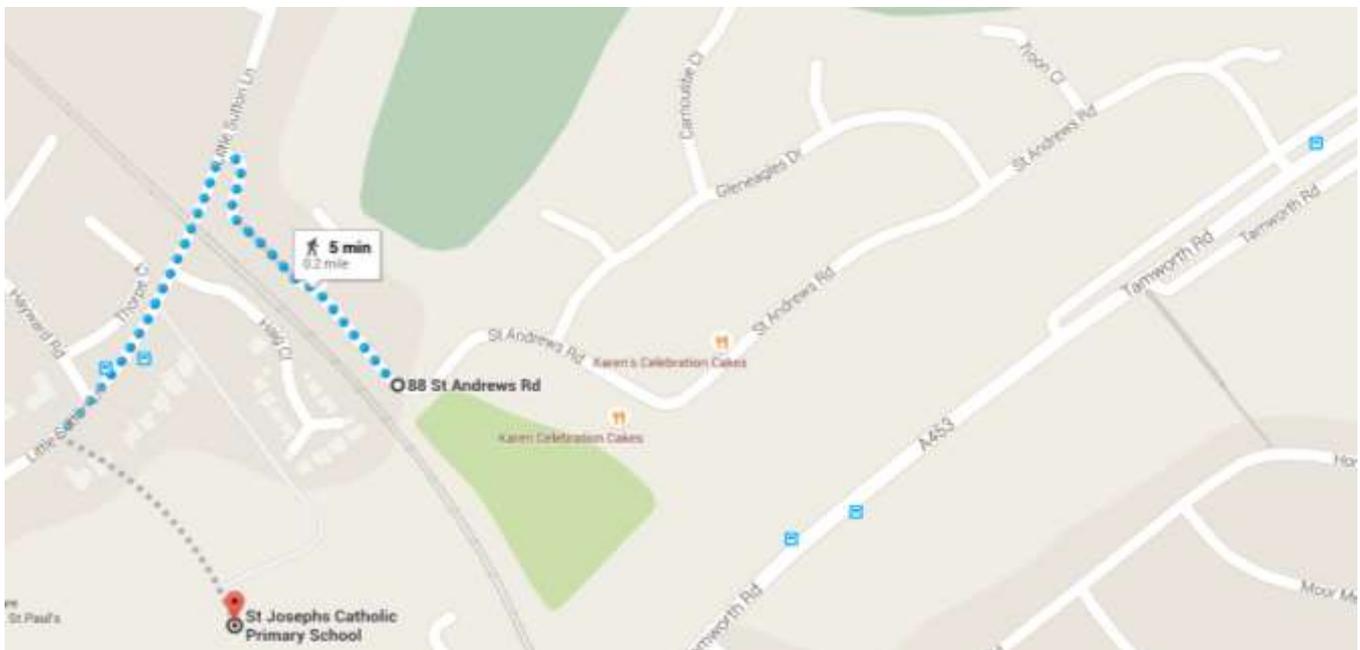

Dear Parents

To reduce congestion around the school gate we are encouraging parents and children to park and stride at a variety of sites which are just a short distance from the school. These sites are less than half a mile from the school, which is a great way to start your day by parking somewhere stress free and completing the rest of journey on foot chatting with your child. These sites have ample parking which will ease the congestion from everyday commuters using Little Sutton Road. You don't have park every day, just a couple of days a week would make a big difference.

The following Roads are within a 5-minute walk from the school, and parents could potentially park in these roads and stride on foot to school. By parking in a variety of these roads you are dispersing the congestion rather than parents just parking in just a couple of roads. Please see below details of locations, you can decide which location suits your journeys. Please can we ask when you park in these roads, please could you park considerately and not block resident's drives or hinder access?

St Andrews Road

If you park at St Andrews Road the dotted line indicates the route from the road to the school gate on Little Sutton Lane. This is located just off the Tamworth Road and parking is available here on street for parents on one side of the road.

To follow Jesus' footsteps, caring for each other when we work, play and pray.

St Andrews Road

Dower Road

Again this road is only a 5-minute walk from the school and parking is available here on street; please remember not to park too close to the junction which joins Little Sutton Lane as this will hinder traffic wishing to travel along this road to other destination. Please be a considerate parker and do not block residents' driveways.

To follow Jesus' footsteps, caring for each other when we work, play and pray.

Haywood Road, Norfolk Road, Rockland Drive Rockland Drive

This road is one of three roads that are located opposite St Joseph's School and can be access off Little Sutton Lane again around a five-minute walk from the school. Here parking is available on street, please remember don't park too close to the junction with Norfolk Road as this hinders the traffic flow and makes it difficult for other vehicles to see when entering or exiting this road. Please be a considerate parker and do not block resident's driveways.

Norfolk Road

This road one of three roads that are located opposite St Joseph's School and can be access off Little Sutton Lane again around a five-minute walk from the school. Here parking is available on street, please remember, to be a considerate parker and do not block residents' driveways.

Haywood Road

This road is located just off Little Sutton Lane just a five-minute walk from the school. Here parking is available on street. Please remember to be a considerate parker and do not block residents' driveways. Little Sutton Lane is a busy main road so please be careful when crossing.

If you are able to leave the car at home and travel to school on foot or other means of travel, then please do so. The school are promoting a wide range of initiatives to encourage other means of travelling to school that you and your child can get involved with, so please feel free to find out more from the school newsletter or by contacting the school.

Kind Regards
Mr O'Hara
