Punctuality

A huge thank you to all those parents who bring their children to school on time every day. Being in school on time each day gives your child a great opportunity to prepare themselves for the day's learning. Unfortunately, there has been an increase in the amount of children arriving late. To help support your child's mental well-being, giving them this preparation time at the start of the school day is really beneficial. Please could you help your child to achieve the best they can by bringing them to school on time. Do not hesitate to contact Mrs Holmes if you need any support getting your child to school on time.

Mass dates and times over the Christmas period

To help your child's Catholic faith to continue to grow, it would be extremely beneficial for them to attend Mass over the Christmas period. Please see attached to this week's newsletter the dates and times of Mass at Holy Trinity Church during the liturgical season of Christmas.

Uniform expectation

We have been reminding children of our expectations of wearing the school uniform with pride, we kindly ask that you support us and reinforce this. We have had a number of children coming to school in trainers, this is not our uniform policy. Please ensure that your child comes to school in black shoes. We appreciate that your child may wish to travel to school in wellies, however they must bring their shoes to change into once at school.

PTA News

Another reminder that our PTA school disco will take place on Thursday 14th December. Key stage One children will be able to get changed with staff supervision before their disco starts at 3:30pm and they are due to be collected at 4:15pm- you are very welcome to stay and we will have refreshments available to purchase on the night.

Key Stage Two disco will also be for 45 minutes between 4:30- 5:15pm.

All payments for entry must be completed via parent mail before the close of school on Tuesday.

Children's Christmas Lunch

The Children will be having their Christmas lunch on Wednesday 20th December, a separate message has been sent via Parent Mail.

School Closure due to bad weather information

Snow and bad weather closure: As we are now at the start of winter we have to plan for what would happen if, for the H&S of the schools' community, the school had to close due to bad weather. We have in previous years made decisions as early as possible using the website and Parent Mail and such decisions will apply to all schools within the Multi-Academy. We will continue to use these mediums of fast communication as it can be quite difficult to get through to the local radio stations. If you haven't been receiving a text or email messages from school in the past few weeks, please contact the school with your mobile number and your e-mail address so that it can be added to our database therefore ensuring fast communication when it becomes necessary in the future.

During this time of Advent, we reflect upon the gift that is Jesus Christ our Lord.

Christ, come into our world of darkness
Light up our lives with your coming.
Fulfil all our longings with the joy of your birth
Strengthen our resolve to work for change in our world
And to share the hope of your birth that each Advent brings.
Amen.
