

Spelling at St Joseph's

Intent: At St Joseph's Catholic Primary, we encourage our pupils to think and write creatively, be adventurous with their use of language and to write with clear purpose and for pleasure. In order for these aims to be realised, it is essential that our pupils learn the knowledge and skills to spell accurately. Children who can spell feel confident and are able to write with enjoyment. We want our pupils to be equipped with the knowledge and range of strategies for learning spelling and to be able to apply their strategies when spelling words in their independent writing. Our teachers enjoy exploring and investigating the patterns and contradictions of the English language and we encourage the children to take delight in what they discover

Early Years Foundation Stage

In Reception, phonics teaching is a key priority and is delivered through the Read Write Inc. (RWI) programme. Children participate in daily, systematic and structured phonics sessions lasting approximately 35 minutes, alongside daily handwriting practice. Teaching begins with Set 1 sounds, with a strong focus on developing children's ability to orally blend sounds as a foundation for early reading and spelling. As children become secure, they progress to learning Set 2 and Set 3 sounds. Children's phonics knowledge is regularly assessed to ensure teaching is well matched to their needs, and pupils are grouped flexibly according to their current attainment. During RWI sessions, children have frequent opportunities to apply their phonics knowledge through reading and writing activities, supporting accurate letter formation and early spelling development. High-frequency and key words are clearly displayed within the learning environment and shared with parents and carers to support continuity between home and school. Progress in phonics is closely monitored, with assessment information used to inform next steps and ensure all children make strong progress.

Key Stage 1

As children move into Key Stage 1, they continue to follow the Read Write Inc. (RWI) programme, ensuring continuity and progression in phonics, reading and spelling. Phonics is taught through daily, discrete sessions lasting approximately 30 minutes. Children are organised into flexible, fluid groups across Key Stage 1, based on their current phonics attainment. This approach enables teaching to be precisely matched to pupils' needs and ensures that learning is not limited by age or class group. RWI phonics and reading sessions provide regular, structured opportunities for children to apply their phonics knowledge in both reading and writing. Pupils practise spelling and sentence construction through 'Hold a Sentence' activities linked to the core text studied that week. This supports the development of accurate spelling, sentence structure and transcription skills. Children who are assessed as working above the Grey level in RWI and who demonstrate secure application of their phonic knowledge in both reading and writing, move into guided reading groups. These sessions focus on developing reading fluency, extended reading and close reading strategies to deepen comprehension. Ongoing assessment is used to inform planning, identify next steps and ensure pupils are placed in the most appropriate phonics or reading group. In Year 1, children complete the statutory Phonics Screening Check and parents are informed of the outcome. Any child who does not meet the expected standard will receive targeted support and will retake the screening in Year 2, with parents again informed of the result. In addition to spelling instruction through the RWI programme, pupils in Year 2 are explicitly taught the common exception words, high-frequency words and spelling rules expected by the end of Key Stage 1. These are taught through the EdShed spelling scheme, ensuring a structured and progressive approach to spelling beyond phonics.

Key Stage 2

In Year 3 some children may continue to work on phonics through the RWInc programme, however, the expectation is that most KS2 children will move on to spelling work planned from The National Curriculum and EdShed spelling scheme of work. Teachers follow the sequence of words as set out in the EdShed spelling overview for their year group. Spelling is modelled consistently within the wider teaching of English – shared and guided reading, shared writing, word and sentence level work. These all offer valuable opportunities for teaching spelling. All adults consistently model the strategies of clapping syllables, segmenting the sounds in order to spell a word.

A discreet spelling lesson is taught on Monday, introducing a new spelling rule or set of words. These are then dripped into writing opportunities throughout the rest of the week. Word lists and spelling homework is sent home every week, and previously taught spellings are assessed through the use of dictation. Children also have an individual login to practise spellings on an online platform.
