

ST JOSEPH'S CATHOLIC PRIMARY SCHOOL

Spring Term 2025 Curriculum Plan for Parents – Year 6

<p>Religious Education</p>  <p>CONVENTION ON THE RIGHTS OF THE CHILD</p>  <p>14 FREEDOM OF THOUGHT AND RELIGION</p> <p><i>Children have the right to think and believe what they want and to practice their religion.</i></p>  <p>17 ACCESS TO INFORMATION</p> <p><i>Learning about the Bible, its literary forms, and the Commandments ensures children receive accurate and respectful information about religion, helping them make informed decisions about their beliefs.</i></p>	<p>During this term, we will study the following topics in RE:</p> <ul style="list-style-type: none"> • Christmas: The children will explore the main features of the story of Christmas and discuss why Christmas is an important feast in the life of the Church. • The Story of the People of God will involve exploration of the different types of literature found in the Bible and reflect upon the Commandments. • Lent: The Church's customs of prayer, fasting and almsgiving will be the focus in this unit, enabling the children to consider how they can apply them in their own lives. World poverty will be a topic for discussion and remedies for this problem considered. They will know that the Sacrament of Reconciliation is a celebration of God's forgiveness. • Holy Week explores the passion of Jesus in detail. The children will try to empathise with the thoughts and feelings of Jesus in the Garden of Gethsemane and think of some of the reasons that Peter denied Jesus.
<p>Maths Skills</p>	<p>The following topics will be covered throughout the following term:</p> <div style="display: flex; justify-content: space-between;"> <div style="width: 48%;"> <p><u>Week 1 (Consolidation from test week)</u></p> <p>Arithmetic Skills Co-ordinates Fractions Long division & word problems</p> <p><u>Week 2 - 3 (Ratio)</u></p> <p>Step 1 Use ratio language Step 2 Introduction to the ratio symbol Step 3 Scale drawing Step 4 Use scale factors Step 5 Ratio problems Step 6 Proportion problems Step 7 Recipes</p> <p><u>Week 4-5 (Algebra)</u></p> <p>Step 1 1-step function machines Step 2 2-step function machines Step 3 Form expressions Step 4 Substitution Step 5 Formulae Step 6 Form equations Step 7 Solve 1-step equations Step 8 Solve 2-step equations Step 9 Find pairs of values Step 10 Solve problems with two unknowns</p> <p>Week 8+ Consolidation & SATs Preparation</p> </div> <div style="width: 48%;"> <p><u>Week 6 (Area, perimeter and volume)</u></p> <p>Step 1 Area and perimeter Step 2 Area of a triangle Step 3 Area of a parallelogram Step 4 Volume</p> <p><u>Week 7 (Statistics)</u></p> <p>Step 1 Line graphs Step 2 Dual bar charts Step 3 Read and interpret pie charts Step 4 The mean</p> </div> </div>

Children will apply the features of the genre studied in their writing as well as developing their confidence in using a range of sentence types and structures, ambitious vocabulary, conjunctions, cohesive devices and punctuation. Children will plan, draft, write, edit and improve their own writing, choosing the appropriate features identified in reading genre examples.</p> <p>Spoken language: Children will engage in discussions in all areas of the curriculum, understanding how to develop responses, varying the length and structure of sentences. They will use adventurous and sophisticated vocabulary, explaining the meaning of words used and offering alternatives. Children will be given the opportunity to debate issues.</p> <p>Reading: Children should read widely and frequently for pleasure and for information, with good understanding, inferring the meaning of unfamiliar words and then discuss what they have read. Throughout this term, we will be preparing for the KS2 Reading Test, completing past papers and discussing strategies to answer the questions.</p> <p>Comprehension: Children will be able to provide reasoned justifications for their points of view and identify how language, structure and presentation contribute to meaning. They will understand underlying themes, causes and points of view and use the text to support comprehension answers.</p> <p>Handwriting: Children should write legibly, fluently and with increasing speed using the cursive style of handwriting.</p> <p>Grammar: Children will have an understanding of a wide range of conjunctions used to clarify relationships between ideas, the difference between informal and formal speech and the use of passive and active voice. Children will link ideas across paragraphs and develop an understanding of the differences between main clause, subordinate clause and phrases. We will look at: using expanded noun phrases to convey complicated information concisely, modal verbs or adverbs to indicate degrees of possibility, using relative clauses beginning with who, which, where, when, whose, that or with an implied (i.e. omitted) relative pronoun.</p> <p>Punctuation: The children will develop in their confidence when using commas to mark clauses, speech marks to indicate the use of direct speech and brackets to add extra information. The children will continue to practise the use of semi-colons, colons and dashes to mark the boundary between independent clauses, the use of colons to introduce a list, punctuation of bullet points to list information consistently and how hyphens can be used to avoid ambiguity.</p>
<p>Homework</p>	<p>Wednesday – English homework (reading/grammar focus) and Maths homework will be set, which consolidates work done in class and provides children with additional practice ahead of the KS2 tests.</p> <p>Homework is set each week on https://satscompanion.com/ and is due in on the following Wednesday.</p> <p>Please note, in the Summer Term, the children will be set a variety of tasks to choose from to explore topics covered across the curriculum.</p> <p>Spellings will also be set each Wednesday on https://www.spellingshed.com/en-gb and the children will be tested through dictations on the following Wednesday (please encourage children to look up the meaning of any unfamiliar words and to complete at least 10 games).</p>
