

# P.T.A. St. Joseph's Catholic Primary School

Dear Parents and Guardians,

On behalf of the Parent-Teacher Association (PTA), we extend a warm welcome to you and your family to the upcoming academic year. Whether you are new to the school or a returning member, we are thrilled to have you as part of our community.

The PTA plays a vital role in fostering collaboration between parents, teachers, and the school administration to enhance the educational experience of our students. We work towards creating a supportive and enriching environment where every child can thrive. All parents automatically become members of the PTA when their child enters school.

For those who may be unfamiliar, the PTA is a volunteer organization comprised of parents, teachers, and staff dedicated to supporting the school's mission and goals. Through various initiatives, fundraisers, and events, we aim to supplement educational programs, enrich extracurricular activities, and strengthen the bonds within our school community.

Throughout the year, we hold regular meetings every couple of months to discuss and plan upcoming events, fundraisers, and initiatives. These meetings provide a platform for open communication, idea-sharing, and collaboration among parents and educators. Your participation and input are invaluable in shaping the direction of our efforts and ensuring their success.

Additionally, our Annual General Meeting (AGM), scheduled for October (date to be announced), is a significant event where serves as an opportunity to elect new committee members, review and update our constitution, discuss our financial status, and outline a general plan for the new academic year.

We encourage you to get involved in the PTA by attending meetings, volunteering your time and talents, and sharing your ideas and feedback. Together, we can make a meaningful difference in the lives of our children and contribute to building a stronger, more vibrant school community.
